DODGE MURPHY PHOTOGRAPHERS

Here is a tribute to our advisors,
Who came to us in all shapes and sizes.
Toots and Dave got us off to a start,
And we showed the school that we could take a part.
Then Dave left, and we all felt sad.
But Harry came, and he wasn't so bad.
Then Toots said goodbye, and the tears fell fast.
But Ginny showed up, and this year's been a blast.
The yearbook is great, so let's give a cheer
for Claire Kirkaldy for hangin' in there.

We, the class of 1975, want to say thank you to these people for making our high school years the memorable kind they are supposed to be.
